

Beacon Beginnings: Orientation for New Students

Transfer Program Sample

Thank you for taking the time to find out more about our required one day Transfer orientation program! Joining the UMass Boston community is a big, big deal and there's lots to learn, even before you set foot in your first class. Which is why we've created *Beacon Beginnings: Orientation for New Students!* Fortunately for you, not only does orientation make the transition into UMass Boston a painless experience – but we've actually heard from many current students that it ends up being pretty darn fun after all. Here's a sample of what we've got planned to help you transition to the UMass Boston experience.

Breaking the Ice

Get to know your Orientation Leaders, meet other new students, and start to learn all you'll need to know about your new school.

I am a UMass Boston student ... now what?

Get tips and tricks for success from current UMass Boston Students. Be sure to come ready to ask questions and to participate!

Find the people and places you need!

This isn't your average tour – learn how to navigate campus, visit the student ID office, and stop by the Healey Library circulation desk where you can get your library bar code.

Take Care of the Details!

Need to visit a particular office? Want more information about something? We'll take you where you want to go!

Academic Advising and Registration

Meet your Academic Advisor and get all the help you'll need to choose your classes.

Be sure to bring:

1. Lots of energy – we'll be keeping you busy!
2. All your questions – Everyone is willing to help!
3. Your excitement about UMass Boston – it's a great place to be, and we're glad you're coming!
