## Student Acknowledgment (PLEASE READ CAREFULLY):

- I understand that if I choose to share details pertaining to sexual misconduct either orally or in writing, UGS staff are obliged under Title IX regulations to report this information to the appropriate campus representative. I understand that before I reveal such information, I may speak with UGS staff about confidential resources prior to sharing those details.
- I understand that, as a University of Massachusetts Boston student, I must comply with ALL University policies.
- I understand that failure to attend or participate in a class is not sufficient grounds for approval of a request to drop a course after the add/drop deadline.
- I understand that I must pay my bill on time regardless of my initiating this waiver.  
*This will prevent additional late fees added to the balance IF request were to be denied.*
- I understand that dropping or withdrawing from classes may have an adverse effect on my financial aid benefits, scholarships, loan deferments, degree requirements, or other areas.
- I understand that misrepresentation of any of the facts or events stated in this application will result in an automatic denial and will be reported as an act of dishonesty.
- I understand that if I do not respond to correspondence I receive regarding this application within 30 business days, my application will be denied and will not be reopened.
- I understand that IF approved, this is a **ONE-TIME EXCEPTION** granted due to the presented extreme, extenuating circumstance.
- I understand that my application will be reviewed only upon receipt of all supporting documentation, if requested.
